75014 PARIS
France

Dear **Christian LEFEVRE**,

Re: your nomination as Legal Entity Appointed Representative (LEAR)

The European Commission's Unique Registration Facility (URF) is a web-based application for participating organisations within the Framework Programme for Research and Technological Development. This online service allows registered users to view and update their organisation's legal and financial data.

According to our records, you are the Legal Entity Appointed Representative (LEAR) for the above-mentioned organisation. The European Commission Authentication Service (ECAS) has therefore created a user account for you to access the Unique Registration Facility and manage your organisation's data.

An email was sent to your registered email address: **projet.rollerfootball@gmail.com**. It explains how to activate your new user account using a PIN code. Please follow the instructions carefully.

Your activation PIN is:

Your user account is **strictly personal** and will allow you in future to access other online services the European Commission is currently developing for the Framework Programme for Research and Technological Development.

Please contact our Service Desk if any of the information about yourself or your organisation contained in this letter is inaccurate or if you have any problem activating your account.

Yours sincerely,

Magnus Kumlin
IT Service Manager – Grant Management
System Support
